TERMS

No order accepted for less than \$1.00 which must be accompanied by cash in full, and no single item for less than 20 cents. On orders of \$5.00 and up, we will accept 25% (twenty-five per cent) with the order, balance before shipment. We will prepay all orders to any point in the United States or Canada. Five or more will be sold at the ten rate. Where bulbs, (not bulblets) are priced each, ten bulbs will be sold at eight times the single price; five bulbs or more at the ten rate. When there is a figure before the price of a variety as 2-20c or 5-25c, etc., it means two bulbs or bulblets for twenty cents or five bulbs or bulblets for twenty-five cents as the case may be. Large bulbs will be 1¼" up, medium will be ¾" up, small will be ⅝" up, as long as available the larger bulbs of each grade will be used.

Please mark on the order whether you want bulbs shipped as soon as cured or held until spring. We guarantee safe arrival at all times. If you are willing to pay for the transportation on your order I will see that bulbs much in excess of the transportation cost are included with your order. Should your order be part from the wholesale list and part from the prepaid list, I will ship it all collect and add enough extra bulbs to cover the transportation cost on the prepaid part of your order. If your order is a fair sized one I believe express, to most points, is cheaper and surely much safer.

SPECIAL FALL DISCOUNT

On orders from this list *except wholesale lots* (see wholesale list for special offer) WITH FULL PAYMENT received before January 15 you may take cash discounts as follows:

\$3.00 to \$5.00 take 20% off
\$5.00 to \$25.00 take 25% off
\$25.00 up take 30% off

This is a REAL DISCOUNT, ADD UP YOUR ORDER AND DEDUCT THE AMOUNT; it does not mean that you must add bulbs to the amount of the discount, as is usually the case. I believe these large discounts are preferable to special discounts to be taken in bulbs or premium coupon offers for various sized orders.

GRADED LOTS

The "GRADED LOTS" have been so popular that we will again offer them; while this list is in effect we will put up 50 cent lots of any variety that doesn't exceed 25 cents for a single large bulb, and \$1.00 lots of any variety not exceeding 50 cents for a large bulb. The customers that had these lots the past few seasons know the value they received, to others we will just say that they will be much in excess of the catalogue prices and contain a good assortment of sizes. If you wish part in bulblets please mention it as otherwise they will be made entirely of bulbs.
